and so abhorred to be entangled in such. *Clarendon.*

WRESTLER. *n. f.* [from *wrestle*.]

When the young *wrestlers* at their sport grew warm,  
Old Milo wept, to see his naked arm. *Dehnam.*

'Tis not from whom, but where we live;  
The place does oft those graces give:  
Great Julius, on the mountains bred,  
A flock perhaps, or herd, had led;  
He that the world subdu'd, had been  
But the best *wrestler* on the green. *Waller.*

2. One who contends in wrestling.  
So earnest with thy God, can no new care,  
No sense of danger, interrupt thy prayer?

Quits not his hold, but halting conquers heav'n. *Waller.*

Two *wrestlers* help to pull each other down. *Dryden.*

And binds the *wretch*, and beats it when it strives. *Shakespeare.*

Illustrious *wretch*! repine not, nor reply:  
View not what heav'n ordains, with reason's eye;  
For bright the object is, the distance is too high. *Prior.*

2. A worthless sorry creature.  
Bale-minded *wretches*, are your thoughts so deeply bemired  
in the trade of ordinary worldlings, as for respect of gain some  
paultry wool may yield you, to let so much time pass without  
knowing perfectly her estate? *Sidney.*

He now  
Has these poor men in question: never saw I  
*Wretches* so quake; they kneel, they kiss the earth,  
Forwear themselves as often as they speak. *Shakespeare.*

He thought his wings were much too slow,  
O'erjoy'd they so were parted. *Dryden's Nymphid.*

Then, if the spider find him fast beset,  
She issues forth, and runs along her loom:  
She joys to touch the captive in her net,  
And drags the little *wretch* in triumph home. *Dryden.*

1. Miserable; unhappy.

*wretcher* fort there are, on whom, whereas nature hath be-  
flowed ripe capacity, their evil disposition seriously goeth about  
therewith to apprehend God, as being not God. *Hooker.*

O cruel death! to those you are more kind,  
Than to the *wretched* mortals left behind. *Waller.*

Why do'st thou drive me  
To range all o'er a waste and barren place,  
To find a friend? The *wretched* have no friends. *Dryden.*

2. Calamitous; afflictive.  
When God was served with legal sacrifices, such was the  
miserable and *wretched* condition of some mens minds, that  
the best of every thing they had, being culled out for them-  
selves, if there were in their flocks any poor, starved, or dis-  
eased thing not worth the keepings, they thought it good  
enough for the altar of God. *Hooker.*

who finds himself guilty and baffled too? *Sidney.*

1. Misery; unhappiness; afflicted state.

What hard mishap him brought to such distress,  
And made that caitiff's thrall the thrall of *wretchedness*. *F. & C.*

To lowest *wretchedness*; and is there then  
Such rancor in the hearts of mighty men?

treme *wretchedness*, then they creep a little, and sue for grace,  
'till they have recovered their strength again. *Spenser.*

templation of a possibility that his latter repentance may serve the  
turn, is the most *wretchless* presumption, and hath no promise  
of mercy annexed to it. *Hammond.*

If persons of so circumspect a piety have been thus over-  
taken, what security can there be for our *wretchless* oisiance?  
Government of the Tongue.

Peack as a peacoke, but nought it avails. *Spenser.*

WRIGHT. *n. f.* [wrihta, wrihta, Saxon.] A workman; an  
artificer; a maker; a manufacturer.  
It is impossible duly to consider these things, without being  
rapt into admiration of the infinite wisdom of the Divine  
Architect, and contemplating the arrogant pretences of  
the world and animal *wrights*, and much more the productions of  
chance. *Cheyne.*

WRISTBAND. *n. f.* [*wrist* and *band*.] The fastening of the  
shirt at the hand.

WRIT. *n. f.* [from *write*.]  
1. Any thing written; scripture. This sense is now chiefly used  
in speaking of the Bible.  
The church, as a witness, preacheth his mere revealed  
truth, by reading publicly the sacred Scripture; so that a se-  
cond kind of preaching is the reading of holy *writ*. *Hooker.*

Divine Eliza, sacred empress,  
Live she for ever, and her royal places  
Be fill'd with praises of divinely wits,  
That her eternize with their heavenly *writs*. *Spenser.*

Bagdad rises out of the ruins of the old city of Babylon, so  
much spoken of in holy *writ*. *Kneller's Hist. of the Turks.*

Others famous after known,  
Although in holy *writ* not nam'd. *Paradise Regain'd.*

He cannot keep his fingers from meddling with holy *writ*.  
More's Divine Dialogues.

Sacred *writ* our reason does exceed.  
His story, filled with so many surprising incidents, bears so  
close an analogy with what is delivered in holy *writ*, that it is  
capable of pleasing the most delicate reader, without giving  
offence to the most scrupulous. *Addison's Spectator.*

Of ancient *writ* unlocks the learned store,  
Consults the dead, and lives past ages o'er. *Pope.*

2. A judicial process.  
Hold up your head: hold up your hand,  
Would it were not my lot to shew ye  
This cruel *writ*, wherein you stand  
Indicted by the name of Cloe. *Prior.*

3. A legal instrument.

To call a present court of parliament:  
Let us pursue him, ere the *writs* go forth. *Shakespeare.*

I folded the *writ* up in form of th' other,  
Subscrib'd it, gave the impression, plac'd it safely,  
The changeling never known. *Shakespeare.*

For every *writ* of entry, whereupon a common recovery is  
to be suffered, the queen's fine is to be rated upon the *writ*  
original, if the lands comprised therein be held. *Ayliffe.*

WRIT. The preterite of *write*.
